On-Board Engineering Announces New Corporate Headquarters

On-Board Engineering Corporation is pleased to announce that Effective July 1, 2004, On-Board will be relocating its Corporate Headquarters from its present location in Raritan Center in Edison New Jersey to:

50 Millstone Road

Building 300- Suite 110

East Windsor, New Jersey 08520

609-945-8000 (Main)

609-945-8080 (Fax)

After nearly thirty years in business, twenty-two of which have been spent in Raritan Center, the organization is excited about the new facility and plans to invite you to an open house sometime in August. Please be sure to note this change with your records and thank you for continuing to be a Valued Client of On-Board Engineering Corporation.
