On-Board Engineering Announces the Promotion of Richard M. Jervis, P.E. to Director of Engineering

On-Board Engineering Corporation is pleased to announce the Promotion of Richard M. Jervis, P.E. to Director of Engineering.

Mr. Jervis will be responsible for On-Board's Full Service Engineering and Design. On-Board is a domestic and international supplier of Engineering and Design Services with offices in New Jersey, New York, Delaware and North Carolina.

Rick has been with On-Board Engineering for 10 years and has 22 years of design, project, construction and engineering experience. He has had the responsibility for leading projects for many clients across multiple industries.

Rick has a Bachelors of Science in Civil Engineering from the University of Cincinnati with a concentration in Structural Engineering and Construction Management. He also obtained his Masters of Business Administration from the University of Delaware in International Business. Mr. Jervis is a Licensed Professional Engineer in 8 states, an active member of the American Society of Civil Engineers and a charter member of the Structural Engineering Institute.

Rick resides in Wilmington, Delaware with his wife Susan, daughter Lauren and son Chad. Rick and Susan are actively involved in supporting their local school system and parish.

Please give Rick a phone call or email (302-613-5702 or jervisr1@obcc.net) to congratulate him on his most recent career accomplishment and wish him and his family well.
